6	Yes, equipment is in good shape	5/13/2023 11:47 PM
7	No. The Center should be open on Sundays in the summer. It should have a better hamstring/leg-curl machine. It should also have a better incline sit-up machine.	5/12/2023 10:46 PM

30	Yes, they try hard to supplie needs for everyone	5/4/2023 10:13 AM
31	Yes, I think the weight room & the walking area is nice to have, but the space is limited as far as being able to be spaced out from people or potentially having multiple people there using machines etc.	5/4/2023 9:52 AM
32	would like indoor swimming	5/4/2023 9:45 AM
33	I used to utilize CCCC programs when I got a Cabela's discount. At that time, I was able to pursue my fitness goals. However, the fitness area was pretty small for the amount of people at peak hours. I have not had a membership for a long time due to membership cost. I can't speak to what the program is like now.	5/4/2023 8:00 AM
34	I mean I hardly know much of what's offered so I couldn't answer honestly.	5/4/2023 2:24 AM

45	Yes, for what they have space availability for.	5/2/2023 1:01 PM
46	Yes	5/2/2023 10:59 AM
47	Not for children. Sports should not only be a month long. They should be like every other community where you practice once or twice a week and have games on Saturdays. We are doing a disservice to our children and allowing them to stay active longer.	5/2/2023 10:10 AM
48	yes	5/1/2023 4:13 PM
49	The activities available for families with young children are limited. Gym is only available if nothing else is going on.	5/1/2023 10:39 AM
50	Yes. Would love the indoor pool option most to have something for younger generations to do all year round.	4/30/2023 7:07 PM
51	Yes, they offer a variety of classes and have a variety of exercise equipment. However, Some of the exercise equipment could be updated and new machines purchased.	4/29/2023 7:56 PM
52	As non-member there appears to be ample classes and hours operation. Household work hours and young children have led to a few short term memberships only.	4/29/2023 8:42 AM
53	yes pool would be nice	4/28/2023 9:34 PM
54	For youth yes	4/28/2023 8:46 PM

56	Think community would benefit from indoor pool especially during the winter	4/28/2023 5:57 PM
57	They appear to offer a wide variety of things for the community. The after kids program sounds wonderful as well. I have only heard good things about the CCCC.	4/28/2023 5:40 PM
58	They are really cliquey and are rude to new outsiders. Every time I walk in those doors, I	4/28/2023 5:37 PM

always feel unwelcomed.

59	I feel like the community center is more geared towards and suited for older adults right now than it is the younger generations.	4/28/2023 3:44 PM
60	Yes.	4/28/2023 2:27 PM
61	Yes	4/28/2023 1:33 PM
62	I feel there is a good opportunity for this, but having classes with more options of times would be great. Most are during the day and for those that work all day they're hard to get to.	4/28/2023 12:40 PM
63	I do appreciate that we have some sort of a community center, however it needs a lot of work. Starting with the Director, if the community is not satisfied there is a reason and sometimes it easier to blame the building or staff. Administration plays a huge part in participating and showing the need for change.	4/28/2023 9:03 AM
64	I am Not aware of any of the programs. I think Perhaps advertising to new residents or offering a short free period for new residents would be helpful	4/27/2023 8:27 PM
65	Not sure	4/27/2023 8:07 PM
66	yup	4/27/2023 5:58 PM
67	INDOOR POOL	4/27/2023 5:56 PM
68	for the most part yes. It would be nice to have activities for older people on weekends and during times other than working hours such as tai chi, pickle ball etc.	4/27/2023 5:07 PM
69	Indoor pool and hot tub for Senior therapy would be great	4/27/2023 4:53 PM

91	no	4/26/2023 3:12 PM

Cheyenne County Community Center - Community Engagement Survey

92	yes, the track is good,	4/26/2023 2:36 PM
93	With the classes, it seems there are many class options and times for those that do not work Mon-Fri 8-5. So having more space to offer more classes outside of normal working hours would be helpful for those that are unable to make it during the day.	4/26/2023 12:24 PM
94	Yes for those who are in	4/26/2023 12:16 PM
95	I think the group classes could have better times for people who work. Early morning or evening classes.	4/26/2023 12:12 PM
96	Yes. I love the exercise room (weights, etc.). Some machines may need upgrading.	4/26/2023 12:11 PM
97	yes	4/26/2023 12:10 PM
98	Yes but we live out of town and it's more of a scheduling issue and added length to the day away from home. Previous members but unable to utilize enough to compensate for cost of membership.	4/26/2023 11:52 AM
99	yes, for the most part. I think there is always improvement. The pool they talked about for years would still be nice	4/26/2023 11:40 AM
100	Limited, we are becoming dates in what we offer and need to expand	4/26/2023 11:30 AM
101	I think the community center offers several different opportunities for people of all interests. there just isn't enough space to offer all of those at multiple times.	4/26/2023 11:14 AM
102	yes	4/26/2023 11:08 AM
103	Yes	4/26/2023 11:06 AM
104	Not sure	4/26/2023 10:53 AM
105	YES	4/26/2023 10:41 AM
106	I've only been to the Community Center once.	4/26/2023 10:34 AM
107	I'm not sure. I have never been there.	4/26/2023 10:29 AM
108	It could be so much better. The lap and therapy pool would be a game changer. Please consider better air conditioning and air circulation in the facilities. Also water bottle fillers throughout the facility.	4/26/2023 10:25 AM
109	I think there is always room for improvement. Adding a nutrition program would go a long way. Also, leading a class on the weight room would help those intimidated to use the equipment. Also a teen program would be a great option for kids not involved in school sports.	4/26/2023 10:20 AM
110	Yes I do	4/26/2023 10:18 AM
111	Yes and No, I think its a great resource for families but its not put out in the public enough and there needs to be different sports available for people in the community to play.	4/26/2023 10:14 AM
112	Yes	4/26/2023 10:12 AM
113	I think the services currently offered are outdated.	4/26/2023 10:11 AM
114	No, limited in scope and times	4/26/2023 10:09 AM
115	They need more evening classes.	4/26/2023 10:07 AM
116	yes	4/26/2023 10:00 AM
117	I think they are limited.	4/26/2023 9:51 AM
118	yes alot of things to do there	4/26/2023 9:43 AM
119	They do a great job but an indoor pool would be amazing.	4/26/2023 9:41 AM
120	I think they do however the hours of operation are not conducive for everyone. Could be why people opt to use the foundry as it is 24 hours.	4/26/2023 9:38 AM
121	I don't really know as I've ot been there in several years	4/26/2023 9:37 AM
122	They need an indoor pool.	4/26/2023 9:33 AM

Cheyenne County Community Center - Community Engagement Survey

123	Do not know what is there/offered.	4/26/2023 9:30 AM
124	Yes. People have to take advantage of them to benefit from them.	4/26/2023 9:30 AM
125	Unsure. Have not participated in any.	4/26/2023 9:30 AM
126	Sure	4/26/2023 9:14 AM

129	Yes.	4/25/2023 9:32 PM
130	Yes	4/25/2023 9:00 PM
131	Closed too many holidays or too many days on a row around holidays. Stay open on sundays	4/25/2023 8:40 PM
132	It is adequate, but I wouldn't say satisfactory. The aerobics machines are old and falling apart. Not enough space for people lifting or people doing their own personal workout with free weights.	4/25/2023 7:59 PM
133	Yes it seems like everything is well managed and well maintained.	4/25/2023 6:50 PM
134	Membership is too expensive	4/25/2023 6:07 PM
135	For the most part. I wish there was a larger private area in the exercise room or another more private area.	4/25/2023 6:05 PM
136	Yes, has very good facility.	4/25/2023 5:44 PM
137	Yes but need different equipment	4/25/2023 4:30 PM
138	Yes	4/25/2023 3:41 PM
139	I find that little info is provided on activities. Unless your on Facebook constantly, you have to search the page or ask around, which is often little to no help, about activities. The website is also not user friendly at all.	4/25/2023 3:14 PM
140	Yes	4/25/2023 2:47 PM
141	yes, could have more options for growth of more programs	4/25/2023 2:42 PM
142	Needs to be a little cheaper monthly	4/25/2023 2:34 PM
143	It provides opportunity but needs improved. Needs longer hours, updated equipment, an indoor pool for the community	4/25/2023 2:33 PM
144	It's ok for a small town.	4/25/2023 2:30 PM
145	Yes	4/25/2023 1:47 PM
146	Yes, except for swimming pool. I would love to have all year round, affordable option for swimming	4/25/2023 1:36 PM
147	Too expensive compared with similar sized communities	4/25/2023 1:03 PM
148	I think the Cheyenne County Community Center does a fine job of providing satisfactory opportunities to the community of Sidney. It offers great opportunities for all age groups of kids after school, as well as opportunities for those of older age.	4/25/2023 12:53 PM
149	No, I believe that the fitness room is too small with outdated equipment. Outside of basketball, there are not a lot of opportunities for kids to utilize the facility.	4/25/2023 11:46 AM
150	Yes. The facility is adequate but is getting a little cramped and dated.	4/25/2023 11:42 AM
151	Yes	4/25/2023 11:18 AM
152	Yes but the equipment is outdated and borderline dangerous	4/25/2023 9:32 AM

160	While the Center does the best that they can, there is very limited space. Exercise classes are not held at times that are convenient for working individuals. Cardiovascular equipment is limited, and most machines have not changed in the 15+ years I have been a member. There are no wellness options for children under the age of 14. Parents would pay extra for their children to participate in after school physical activities, skills building, and wellness programs. Some parents would enjoy working out alongside their children as well as workout partners or buddies. I appreciate the Center converting one of the raquet ball courts into a spin room/modified weight circuit room, but it is very loud which makes it difficult when using the Peloton app. Again, appreciate the opportunity to utilize the spin bikes with the Peloton app as I know how difficult it is to find instructors and times that work for everyone. I am thankful to have the CCCC, but there is room for improvement.	4/24/2023 3:45 PM

162	No	4/24/2023 2:47 PM
163	Could be better, also seems like something is always coming up and you close way to much, not to mention all the kids parents drop off because they feel it free daycare.	4/24/2023 2:20 PM
164	I do think that the Center does a good job with its programming. I think that the class offerings are based on interest and attendance. They also make every effort to inform about the classes and other activities.	4/24/2023 1:05 PM
165	Yes	4/24/2023 12:23 PM
166	Satisfactory yes. The programming and spaces are good for a community this size. I personally don't use the spaces or programs currently provided. But, with a young family that is at Kids Korner daily, any opportunities for an expansion that included a pool and other indoor opportunities would be a fantastic addition to the community!	4/24/2023 12:07 PM

307	I feel like for what we pay for activities though the Community Center and the amount of money raised every year from the Foundation Fundraiser that the Center is really lacking on updated equipment. membership. What I would personally use more of is if there were different membership options at different access levels - I would pay less if I could just use the weightroom/treadmill, for example, or a membership that offered discounts on youth sports and also access to certain amenities.

320	To an extent	4/21/2023 1:54 PM
321	Somewhat: Fitness equipment needs serviced (treadmills & free weights) New technology equipment could be integrated. Most of the workout equipment is outdated	4/21/2023 1:54 PM
322	I think we get taxed too much for the little we have already.	4/21/2023 1:53 PM
323	For me yes	4/21/2023 1:53 PM

325	Yes	4/21/2023 1:49 PM
326	Yes. Lots of space equipment and hours to use.	4/21/2023 1:49 PM
327	I think our community center is missing whole community events. The 5K run's that used to happen no longer exist, the only community events that seem to be hosted are vendor fairs and youth sports. There are a lot of age groups that are being missed for opportunities to promote the community center.	4/21/2023 1:48 PM

337	I think you have good staff but I was kinda put off when yoga was offered but it wasn't yoga... it was some weird yoga workout mix. It was off putting and discouraging since I was a beginner and wanted the fundamentals to start my journey not a work out that put me on the stretcher... maybe have actual beginners courses... in tune answer: no	4/21/2023 1:26 PM
338	Yes	4/21/2023 1:24 PM

340	It does a good job.	4/21/2023 1:12 PM
341	I feel it is aged and could use more on gym space and activities.	4/21/2023 1:08 PM
342	The treadmills desperately need upgraded. They are worn down and at least 1 of them is almost always out of order. There is no reason why paying members should be running on 20 year old treadmills. Each treadmill needs a working tv! No excuse for tv's to be down for weeks at a time.	4/21/2023 1:08 PM
343	Yes	4/21/2023 1:07 PM

press. Trey knows nothing about weight lifting. He shouldn't be up there telling people what they can and can't do

348	Yes, I think they do a great job. I also think we can always keep improving no matter where we are in life.	4/21/2023 12:52 PM
349	Considering my age 70+ the center is quite satisfactory to my needs.	4/21/2023 12:51 PM
350	Having an indoor swimming pool would be a great opportunity for lap swimming and physical therapy opportunities. Updating some of the equipment upstairs would be great as well.	4/21/2023 12:51 PM
351	Just satisfactory	4/21/2023 12:49 PM
352	I believe the weight room/strength training facility is very dated and hasn't been a priority in terms of providing modern equipment and technologies.	4/21/2023 12:49 PM
353	Yes more equipment for working out or updated equipment could be more helpful	4/21/2023 12:46 PM
354	Yes	4/21/2023 12:03 PM
355	I do. We are just running out of room and using some spaces for a vast variety of things	4/19/2023 4:49 PM

23	Yes there are usually a lot of fun activities planned throughout the year.	5/5/2023 5:52 PM

60	I feel there is a decent amount of programs, but there seems to be a need for programs for children younger than the age of 5	4/28/2023 12:40 PM
61	As I said above, the answer is no. But again, is it because the lack of support from the director? The community center building itself does not allow proper programs, schedules, and activities to support our community let alone the supporting communities.	4/28/2023 9:03 AM
62	Not sure; I am not really aware of what the community center offers.	4/27/2023 8:27 PM

76	I feel like it could offer more classes and find a way to advertise it more. I would be interested in a dance or zumba class.	4/27/2023 2:30 AM
77	They need to offer more things for seniors, like dances, movie nights, trips (dinner, theater shows, gambling)	4/26/2023 10:13 PM

90	I haven't looked recently, but when I first moved here, I wanted to participate in adult sports, but since I didn't know anyone, I wasn't able to have a team. Having an option for individuals to sign up, and be placed on a team would help those that are either new to the community or that do not have enough people to create a whole team.	4/26/2023 12:24 PM

92	I think they do a good job	4/26/2023 12:12 PM
93	Maybe some type of singles group or program (such as they have in many churches)? Maybe one for seniors only? (over 60)	4/26/2023 12:11 PM
94	I'm not sure here. We watch a lot of youth sports there and have over the years - certainly see value in that. I hope that there is all the opportunities wanted for our seniors and their needs but I am not knowledgeable of whether this is the case	4/26/2023 12:10 PM
95	Since we are not members I am sure there is much more than I am aware of. I would consider joining or paying for 1:1 training for my age and ability.	4/26/2023 11:52 AM
96	the sports programs for youth has always been a problem. Not run well ever over the 20 years we have been here.	4/26/2023 11:50 AM
97	When my Grandsons were in soccer I felt it was unorganized and they needed less teams than such small groups. The kids had to play too hard and they were just learning the sport, bigger groups would have been good. And wouldn't need to so many coaches	4/26/2023 11:40 AM
98	Limited by weather- we don't have the facilities to do any indoor youth programs such as indoor soccer or baseball etc	4/26/2023 11:30 AM
99	I appreciate through the years all the youth sports opportunities the center provides. I wish there was more space for these youth programs to practice and to host games.	4/26/2023 11:14 AM

106	There is so much potential in drawing surrounding communities in for youth sports that is currently being missed. Sidney could have a much larger basketball tournament that draws lots of communities. Baseball and softball summer games could also be better, bringing in other communities to play summer league	4/26/2023 10:25 AM
107	A great opportunity would be to add an after school program that would focus on agility, quickness, strength, stretching, sports skills. This would be a great baseline for your community and also starting at a young age, helps to keep a person active and fit.	4/26/2023 10:20 AM
108	Yes	4/26/2023 10:18 AM

110	yes	4/26/2023 10:12 AM
111	I believe there should be more opportunities for teens and a place for them to hang out. I also believe that there need to be a better marketing strategy. I currently don't know about much that happens at the community center unless i research it and the website is not great.	4/26/2023 10:11 AM
112	No, Limited in scope and times	4/26/2023 10:09 AM

125	No. There should be a local league sports for kids inside the facility like basketball and volleyball. That should take place at different times of the year. I love the idea of turf also for soccer in the winter time. Local league play for kids and teens is the biggest thing we could do to improve the facility.	4/25/2023 9:32 PM
126	Yes	4/25/2023 9:00 PM
127	Again, I think there should be supervised activities for grades 4-8 after school. The center should not be a "free" babysitter for kids.	4/25/2023 7:59 PM

140	Yes	4/25/2023 1:47 PM
141	I don't participate in many, but from what I observe it feels like CCCC does a good job. One area it could maybe contribute more would be youth tournaments. It attracts visitors to Sidney, which is good for businesses in the community	4/25/2023 1:36 PM
142	I do feel that the Cheyenne County Community Center offers enough opportunities to continue to build the community through programs and events. The CCCC does a good job of reaching out in to the community with events that the entire community can participate in.	4/25/2023 12:53 PM

154	Need more gym space and multi-use rooms. An indoor activities center with Rock Climbing, turf, batting cages, etc., which could be utilized year round with be appreciated. Having an indoor activity space, more multi-use rooms and additional gym space would allow for the CCCC to host more community events. This would also allow the daycare to utilize indoor space other than the gym during bad weather as well.	4/24/2023 3:45 PM

205	I think that it would be more beneficial for our community to have an indoor pool for the seasons that our outdoor pool is not open. People that want to swim in the winter would have the opportunity. We could also form a school team or a club swim team.	4/22/2023 3:20 PM

210	Yes	4/22/2023 12:54 PM
211	We love the youth sports.	4/22/2023 12:24 PM
212	They could definitely do a better job of planning activities around they're resources. Ideas include: sand volleyball tournament, lifting competitions, a indoor lap pool could host swim meets, a rock wall could have climbing competitions, etc.	4/22/2023 12:00 PM
213	Programs could be rotated more to include more variety of programs. Bringing back pound class for 6-8 weeks for example, then rotating with a new option such as TRX, running group options, water aerobics, etc	4/22/2023 11:46 AM
214	I think the center has a lot of good things going. However, I think there could be improvements on running the youth sports programs and listening to community input on youth sports.	4/22/2023 10:40 AM

222	I think the community center could benefit from having a couple other multipurpose rooms available, so you could have, say an exercise class going in one but also accommodate a company who wishes to have a meeting at the same time, or maybe a birthday party. Right now, the exercise groups get kicked into the gym when the multipurpose room is used for something else. I think the sports programs that are available are mostly sufficient.	4/21/2023 11:17 PM

226	Thinking back a couple 5ks and the centers charity fund raiser if there is more, we have a communication issue. I have to rely on hallway conversations or word of mouth. I would like to participate in an early evening (18:00-20:00) corn hole league in the summer months. Example Pickle Ball league scheduled at high noon for an hour on work days.....Really? Sounds like it was targeted toward retirees only, maybe I am in a minority who would like to participate however have to select other priorities.	4/21/2023 9:29 PM

#	OTHER (PLEASE SPECIFY)	DATE
1	All are adequate but all good use some updating	5/14/2023 9:19 PM
2	The outdoor baseball and softball fields are bad, not level, backstops are worn, bad lips, bumpy, scoreboard issues, little sun protection, dusty when the wind blows as the whole parking lot is dirt/gravel, tee ball fields are basically gravel. Make it an inviting place to play. Soccer fields have nice grass but too many people run their dogs on it and don't pick up after them, it's gross. Put up simple, obvious signs with a map to find fields, take nets down so the city mows goal areas and the nets don't just degrade. Overall not inviting to travel too.	5/14/2023 7:19 PM
3	I would like a spin cycle upstairs that does not squeak and squawk when you try and use it. (Access to a spin cycle that you do not have to pay extra for-like in the room downstairs.)	5/9/2023 2:53 PM
4	I can only judge the areas I use.	5/9/2023 12:42 PM

Maybe having a specific area that includes a few machines and cardio areas that have a 30 minute workout designed for those machines, so people who are not familiar with working out have a place to start.	4/26/2023 12:34 PM

The cardio machines could be spread out more as well - as they are basically touching and stacked on top of each other. I don't like smelling the person next to me when I'm trying to work out.	4/21/2023 6:05 PM

184	Some sort of water aerobics if we had an indoor pool. I think there are lots of programs available, but there has got to be a better way of making the community aware of what's available. Are only members informed of what programs are available!?!? Are there newsletters or calendars that can be sent out by email to subscribers that want to know what program opportunities the Center has coming up or mailed if someone doesn't want or have access to email. 63	Being able to have an all day preschool day would be a great option, even if not every day. Right now, I have to pay the preschool tuition on top of an all day of daycare. That doesn't make much sense. That gets very expensive for parent's that do both at the community center.	4/27/2023 2:51 PM

207	No. For the size of our community, we do not currently have enough preschool spots to cover the need of our community. Working in the school system I see this firsthand. Several children are coming to school without any preschool experience which does not set them up for success when entering kindergarten and beyond. Many children are not attending preschool because there are simply not enough openings in our current programs or parents cannot afford to send their children to preschool.	4/22/2023 10:45 AM

221	No, there are a lot of kids that can't get into preschool and/or can't afford it so they come to school with no preschool or daycare/socialization with trained staff	4/21/2023 8:45 PM
222	Our community does not have enough preschool choices at all to ensure all children can go to preschool if their family desires. There are often waitlists. I would like to see an effort to increase quality preschool options throughout our community to include highly trained staff in social emotional learning and effective early childhood practices. Besides preschool, our community is severely lacking in high quality childcare options with kids korner being the only center daycare option that is safe for children to attend.	4/21/2023 8:41 PM

7	Yes. We definitely need an after-school programs for all ages but specifically for the pre-teens and high school aged children. There has been inappropriate behavior and foul language from preteens and teenagers at the new park and damaging equipment. Perhaps the community can figure out a place for the youth to go.	5/6/2023 12:31 PM

42	yes	4/26/2023 1:58 PM
43	I think that they would be beneficial. The amount of kids that are dropped off at the community center to wait for their parents, shows that many parents are unable to be home with their kids as soon as school is out. There are also many jobs that the parents are scheduled before 8am, so unless the schools allow kids to be dropped off say before 7:30am, a before school program would be nice.	4/26/2023 12:49 PM
44	Yes, after school. Our community is full of working parents. Having a safe and enjoyable location for our kids to attend after school is important. It's also important that cost is kept at a reasonable amount.	4/26/2023 11:45 AM

Kids should not be allowed to hang out unsupervised in the Commons area for a lengthy amount of time. Parents drop their kids off in the morning when there is no school and leave them there all day. 106	Yes especially for older children who are maybe too old for after school daycare but too young to be unsupervised. Cool kids is a nice option but limited numbers. Many kids are just dropped off to the center to be supervised by the staff.	4/22/2023 11:59 AM
107	We currently have Cool Kids Club which is through the public school. This often fills up quickly and has a waiting list. It also is only offered to children up to 4th grade. It is nice that kids can go to the community center after school to hang out until their parents are off of work.	4/22/2023 10:49 AM

1	Larger spaces for the kids. The rooms are very small	5/5/2023 5:54 PM
2	Kid's Korner does a great job. We have been very satisfied with the service and care. I would add that with all of the snow days, etc., some comp days for charges incurred for the after school program would have been nice. We paid for a lot of days that our child(ren) were not there.	5/5/2023 1:27 PM
3	We've had a good experience so far but some of the providers are not kind — to the babies (0-5). 😞 makes me nervous for my child to switch rooms.	5/4/2023 8:10 AM
4	More space and indoor playground/ play structure.	5/3/2023 10:03 PM
5	More reliable drop in care for all families in our community.	5/2/2023 10:14 AM
6	Have loved their services, continue physical activities and arts/crafts with a music option? Or teaching sports?	4/30/2023 7:15 PM
7	We have been very pleased with KK. Scheduling two weeks prior only real complaint as plans change but understand rationale.	4/29/2023 9:17 AM
8	Better security! More space - the rooms are cramped, dining is cramped	4/28/2023 7:15 PM

14	The staff needs more energy and smiles. More training on child development. I am a grandparent of 2 kids you go to daycare there.	4/26/2023 8:36 PM

17	My kiddo loves going to daycare at kids corner	4/26/2023 11:12 AM
18	need more room for more kids!	4/26/2023 10:52 AM

20	I think that they currently provide excellent services to our children that attend.	4/25/2023 12:03 PM

33	No it's excellent	4/22/2023 12:23 AM
34	Expanding to allow all community members who need daycare to have a spot. There is often a waitlist which can be difficult with no other quality option in town.	4/21/2023 8:46 PM
35	I would like to see the area more secure. Any one can walk in and out as they please. Someone should be at the front buzzing people in and out.	4/21/2023 8:14 PM
36	Better scheduling/billing system. The current scheduling system does not work with the billing and have to waste all parties involved time to correct it. A community project that the kids could work on throughout the year would be good to see as well. (Garden maybe?)	4/21/2023 7:59 PM
37	They need more space for the kids. They need bigger rooms.	4/21/2023 7:34 PM
38	Expansion of space	4/21/2023 5:41 PM
39	Educational focus option during the summer also	4/21/2023 5:30 PM
40	More rooms and indoor large play area with equipment	4/21/2023 5:29 PM
41	More space and more preschool teachers. Also more options for older kids to be entertained after school - maybe educational enrichment opportunities	4/21/2023 5:17 PM
42	A better, more engaging after school program for school age kids. On the after-school enrollment sheet, it asks if my child needs to complete homework at daycare. I have always checked yes, and not once has my child had assistance with or been asked to do homework.	4/21/2023 5:04 PM
43	Drop in	4/21/2023 4:57 PM
44	Bigger spaces, updated rooms	4/21/2023 4:57 PM
45	More space	4/21/2023 4:49 PM
46	We love kids korner. It is truly the best daycare we have had. My only recommendation for improvement is improve security with a buzz in buzz out system and blocking access from the community center.	4/21/2023 4:29 PM
47	Everyone is great! We love it!	4/21/2023 4:22 PM
48	Safety and not all the teachers standing together in a group and talking and not watching the kids	4/21/2023 4:22 PM
49	Better outdoor play for toddlers. Longer hours. Maybe even serving dinner for the ones that need to stay longer	4/21/2023 2:42 PM
50	The daycare providers are wonderful. I am concerned about the ease of access to my child throughout the day. With the prevalence of shootings / bad people in society, I am very concerned that anyone can currently walk into the daycare. The sign on the door says ring to enter, but I have NEVER gone to pick up my child and been stopped by a locked door. Please, please lock the daycare like we lock our public schools.	4/21/2023 2:28 PM
51	I am so thankful for Kids Korner, they have been a blessing to my family for the last 7 years!	4/21/2023 2:02 PM
52	Better pricing rates other than full time/part time. Half day rates would be very beneficial and more affordable	4/21/2023 2:00 PM

53	Nothing, they do a great job	4/21/2023 1:48 PM
54	More space	4/21/2023 1:23 PM
55	It seems like some of the younger helpers aren't fully attentive to the children when we pick them up.	4/21/2023 12:55 PM

13	no	5/9/2023 11:27 AM
14	They accommodate every age group. They help a lot of kids that there family can't afford memberships.	5/8/2023 10:46 PM
15	Membership and admission to the pool is too expensive.	5/8/2023 12:11 PM
16	Very affordable. Maybe some sliding scales for retirees and lower income families.	5/7/2023 5:28 PM
17	No cost should be free. Just take all the extra money they city council takes from citizens. Or lower taxes. More transparency.	5/7/2023 2:17 PM
18	I do not have a membership for myself, as for the activities, we will soon see. However I am already disappointed as there isn't a schedule up for summer ball. Yes I know registration closed 2 days ago, yes I know the coaches meeting is tomorrow, but as a parent trying to plan my work schedule to be able to attend at least a few of my kids games would be nice. The website needs updated badly, and the links that we are taken to for logging in or what have ya	5/7/2023 6:55 AM
19	No. My husband only likes playing racquetball. Not worth the cost. A punch card or discount for only using that area.	5/6/2023 6:17 PM
20	Yes and no. Unfortunately for my family and the cost of living increasing, we have had to postpone any financial commitment to a gym membership.	5/6/2023 12:33 PM
21	yes	5/5/2023 5:55 PM
22	Somewhat. Some equipment, i.e. balls, are pretty worn out. And the Youth Center is a mess. It really needs some TLC. Quite a bit of complaints about the trash, dust, temperature, quality of floor, noise level.	5/5/2023 1:29 PM

74	I've only ever used an annual pass, but I think it has good value. I understand why the spin classes weren't included. I think having annual passes with different levels would be great. So instead of purchasing a 10 class pass, some one who only wants the walking trail or the classes can also purchase an annual pass, and can only access those options.	4/26/2023 12:56 PM
75	I have no idea	4/26/2023 12:20 PM

77	we keep a membership for our kids - I don't have a huge problem with the pricing	4/26/2023 12:12 PM
78	Annual family membership was costly while we had children at home but utilized for boys basketball, baseball, soccer and girls softball. A gymnastics program would have been used by our children but not available at the time.	4/26/2023 11:59 AM
79	no. For youth sports its expensive for the crappy tshirt you get.	4/26/2023 11:52 AM
80	I think it is rather high. Working at the hospital it's nice that I get a nice discount, plus being senior citizen helps a lot. My friends my be more apt to join if rates were better.	4/26/2023 11:43 AM

108	It's appropriate for the level of skill. I would pay more if there was a higher level of skill for older kids to play soccer. And basketball and volleyball league for kids in this area. Right now, there are travel teams, but these are extremely limited. We need local leagues for more kids to play locally.	4/25/2023 9:39 PM
109	A little to high for the price	4/25/2023 9:07 PM

127	No	4/25/2023 1:05 PM
128	No, the membership is too expensive even with discounts from the hospital. Therefore, I decided to get a membership with the Sidney Foundry. Its way more affordable and has updated equipment. If the center would update their current equipment and space and bring in programs for our youth to participate in. I would be more than willing to pay the current rates and even more depending on the value it creates for our family. Currently, there is no value in getting a membership expect for using an outdated weight and cardio room.	4/25/2023 12:07 PM

132	Decent but a little high to make it family friendly for all community members	4/25/2023 8:09 AM
133	No, continue to raise prices without actually updating equipment or offering anything new. Can go to sterling or ogallala for better value and more amenities	4/24/2023 10:56 PM
134	No, membership is high for what is available and offered	4/24/2023 10:14 PM

161	With in the last year and a half the events and programs have improved a lot.	4/23/2023 8:45 PM
162	When there was a discount offered for the school employees and the volunteer fire department, we did participate. When the discounts went away, so did our interest. I do feel that the it is doable to attend an activity and try it out for 5.00, but after that the price is more that we can justify. However, if you were to add an indoor pool for adults to use for therapy, lap swimming, and activities such as water aerobics in the evenings, along with classes such as Tai Chi, Pilates, and Yoga for beginners I would not hesitate to join. We would take advantage of the walking track, again, and my husband would be able to utilize the other facets of the center.	4/23/2023 8:43 PM

167	Yes, because there are funds available for low income families.	4/23/2023 6:46 PM
168	We haven't gotten a membership because or children aren't old enough to do things there yet. I work for the hospital but don't qualify for their discount as I'm not full time. So our oldest does a day pass occasionally and our younger ones sign up for outside sports.	4/23/2023 6:38 PM

180	We get a better deal on a family membership at the foundry, so I guess not.	4/22/2023 8:03 PM
181	No. I don't mind paying a fee but these programs are not run well. Why does the center pay for a sports enrollment program of they don't use it? I shouldn't have to call to enroll my kids. Practices are unorganized because there's no way to schedule them.	4/22/2023 7:58 PM

190	I think the difference in 6 months vs 1 year is uncalled for. 6 month is \$60.00 vs full year \$80.00 for seniors on walking track only.	4/22/2023 3:43 PM
191	I think that it is too expensive for the quality	4/22/2023 3:32 PM
192	Yes.	4/22/2023 3:15 PM

198	Yes. Very affordable	4/22/2023 12:29 PM
199	The events have been very frustrating to attend- communication about dates, requirements, changes, etc. are not well communicated. I will say the refs for 3rd/4th basketball were amazing and worked with the kids, were patient and kind and were amazing working with them. The price point is good- not too much that families can't afford to participate.	4/22/2023 12:29 PM

215	5 bucks a visit seems fair, anything else I can't comment on because I haven't participated.	4/21/2023 9:31 PM
216	Somewhat, there does seem to be some unequal charges for some sports that don't align with what kids get from it. Volleyball camp and Wyobraska league are two separate charges, however the camp and league is one charge for basketball and the season is longer.	4/21/2023 8:50 PM
217	I think the prices are competitive and fair	4/21/2023 8:46 PM
218	It is not in our family budget. The fee for sports is a joke since the coaching is subpar at the most and we have to provide everything but the shirt. Membership should include all the facilities and programs with sports getting discounts.	4/21/2023 8:40 PM
219	So so	4/21/2023 8:20 PM

223	Yes	4/21/2023 8:05 PM
224	I think that there are some activities that are yes, others no. Woman's volleyball is an example of a no, the costs per team is fair, however the volleyballs are old and almost all flat — seems like a simple and not costly improvement. Not just for woman's volleyball but for kids coming after school that want to play.	4/21/2023 8:04 PM

228	For youth sports: Tshirt and hat for the kids is good. Need to really work on refs for games, especially the younger ones. The coaches that donate their time to coach should not have to ref the game as well.	4/21/2023 7:42 PM
229	Yes	4/21/2023 7:36 PM
230	Yes. I think it's affordable. They could offer an additional amount off for larger families.	4/21/2023 7:36 PM

235	YES	4/21/2023 6:16 PM
236	The average membership (excluding programs, activities, events) is high priced. 24 hour fitness centers are the same price or cheaper - the center is definitely no 24 hour.	4/21/2023 6:12 PM
237	Rates are very reasonable	4/21/2023 5:56 PM
238	Yes	4/21/2023 5:53 PM
239	For what is provided the cost is fine. But if we could improve these programs I would be willing to pay more. Longer seasons, better refs, more organization, better communication. It's all worth more \$\$ if we can get our kids better involvement	4/21/2023 5:38 PM

242	No, it is higher priced than comparables in other cities in Nebraska for the time spent at Kids Korner.	4/21/2023 5:05 PM

279	Yes, vouchers should be provided for parents who volunteer to coach.	4/21/2023 2:10 PM
280	I think the amount charged and they way the youth programs are ran are not worth it. The youth sports have taken a hit the last 2 years, and have been ran so poorly, more and more kids quit or don't sign their kids up.	4/21/2023 2:10 PM
281	Yes. I would be willing to pay more IF the facilities/seasons were improved. Currently, I feel our facilities are lacking AND our youth programs are failing and not well organized.	4/21/2023 2:10 PM
282	No, membership is far too expensive for a "community" center	4/21/2023 2:09 PM

286	I think CCC is a good value.	4/21/2023 2:00 PM
287	No, the youth sports have been a mess. They are unorganized, uniforms always seem to not be ready before needed, and charging a fee to register kids is not a great way to attract registrations.	4/21/2023 1:58 PM

1	The center saved my Mother's life. When she turned 70 she had a massive heart attack. That is when she started exercising. She was a religious Senor Stretch and Silver Sneakers for 20 years.	5/14/2023 9:21 PM
2	Sidney is struggling with young participants, we need to get the higher levels involved with the lower and entry levels to provide both motivation for the older kids to provide inspiration for the young and beginner kids. Form that bond and drive to become better. This includes players and staff.	5/14/2023 7:25 PM
3	Needs a sauna	5/14/2023 12:52 PM
4	The Center should have spin bikes with magnetic resistance. This change would definitely increase class participation.	5/12/2023 10:52 PM
5	The weight room is outdated. Some equipment has been here since we opened. That's why the foundry is so popular with the younger population. Plus it's dirty. Look at the equipment where the member don't wipe. It's not good. On the floor there is dirt and goat heads that sit for weeks.	5/12/2023 8:45 AM
6	N/A	5/10/2023 11:24 PM
7	The gym equipment looks worn and the running track looks dirty because it needs painting. Walking on the track would be less tedious if a mural were painted on the walls.	5/9/2023 12:49 PM
8	The CCCC has an opportunity for after school support through organized activities and more adult supervision. Sidney has a great need for after school care that keeps kids 2-6 grade engaged. This program would require specific funding.	5/9/2023 11:30 AM
9	Love Tara and the staff. They are always happy and helpful.	5/7/2023 5:29 PM
10	Dumb survey. Also close the golf course would pay for community center for 10 years	5/7/2023 2:18 PM
11	As a community center, you should keep in mind the community you are now serving. No more corporate executives and their offices full of titled people that have little to no responsibility, just a title and a check. We are strapped by increasing rental prices, housing prices and percentages, TAXES are killing all of us. Our wages aren't being increased, I'm sure yours isn't either. Maybe the cost could contribute to the decrease in membership, aside from the same tune of cabelas left. Sidney will never be again what it was before going public and all hell breaking lose. Time to accept that and stop treating the town like we all make 6 figures. I don't, you don't, most of the town doesn't. As previously mentioned, if the facility isn't turning a profit, overhaul from the core out, don't just expect patrons and tax increases to fix everything.	5/7/2023 7:02 AM
12	An updated space always is more attrictive to people. I think an update to the building with some additional add ons like an indoor pool would be very attractive to the community. The park project was able to raise a large amount of money in a short amount of time so maybe that committee would have some ideas on how to help the community center to the same.	5/5/2023 5:56 PM

swimming lessons are only 1 week long. The kids aren't getting much for what the parent is paying for.

18	There are so many children in Cheyenne County, it would be nice to bring in companies or people to do sports camps here for basketball, volleyball, football, baseball/softball, etc. For example, it would be wonderful to host a Mike Trader Basketball camp or college teams to host other sports camps here at the CCCC.	4/29/2023 8:14 PM

46	Overall, I strongly encourage you to get an indoor pool!!! Swimming year round would be utilized by people of all ages. The outdoor pool closes too soon when it is still extremely hot outside. I would also love an indoor play area for kids. Please update the treadmills and Ellipticals. After school and summer structured activities for school age children is a major need in our community.	4/25/2023 8:17 PM

50	I think its important that CC is in need of more high-quality daycare options	4/25/2023 1:54 PM
51	I feel like the youth center could be better utilized year round if improvements were made to the basement/bathrooms as well as drinking water in the facility. The community should be using this facility instead of West for regular games/practices to allow the school gyms to be used for school sports/activities. There is no shelter or water at the soccer fields. That is a public safety concern. There should be a place at the softball/tball fields to fill water bottles and a small shelter as well.	4/25/2023 12:35 PM
52	I believe that community centers are incredibly important for a health, vibrant community and I would be willing to support our local center if they make some updates with their organized sports, youth programs and fitness areas. Indoor pool would be a bonus.	4/25/2023 12:09 PM
53	I don't use the center so I don't think I should have my taxes raised	4/24/2023 9:29 PM
54	The kids need to be the focus of something for once. We have a sad overpriced pool with part time hours and a donation funded park. Nothing for elementary and up kids.	4/24/2023 9:23 PM
55	Again stop letting Parents take advantage of the Staff and center by leaving they're kids there for hours	4/24/2023 2:26 PM
56	Do not go there enough to answer	4/24/2023 12:26 PM
57	We are currently not members, however, an indoor pool in after school or summer activities for older children would definitely have us reconsider.	4/24/2023 11:47 AM
58	they were supposed to have an olympic size swimming pool but never did	4/24/2023 10:08 AM
59	The staff are great at CCCC! Very nice an enjoyable people! The youth sports director is far from great though. He's not a good fit for our community. Borch wasn't the best either, but he his far better than this grumpy geezer.	4/24/2023 12:56 AM
60	The thing I feel most strongly about is finding a way to possibly be able access certain areas after-hours, especially on weekends. Even if it would just be the treadmills and weight room.	4/24/2023 12:39 AM

68	We moved to Sidney 21 years ago and always heard about how the community center had promised an indoor pool in the "near future". Sidney has done a very poor job of actually	4/22/2023 8:09 PM

Cheyenne County Community Center - Community Engagement Survey

listening to the community and offering things that the community needs, for example the new swimming pool cost millions of dollars and is only open less than 3 months out of 12. What were they thinking?! Sidney is also not a rich community, families need activities that don't cost an arm and a leg, we need family friendly facilities and things to do with our kids in the winter months. Speaking of kids, our teens have been forgotten. People complain when they "play" at the park, complain when they hang their hammocks in the trees... What are they supposed to do?! Our (pathetic at best) skate park was taken down and replaced with a gravel volleyball court that nobody uses... Our teens need to feel valued in this community! Outside of school, outside of league sports! Please hear this!!!

69	The center is an excellent community resource but has gotten a little lackadaisical in recent years. I am encouraged to see this program and plans for future development. If you continue to communicate and make future developments, I am happy to continue to contribute to funding.	4/22/2023 7:59 PM
70	Thought this was a community survey not a community center survey	4/22/2023 7:21 PM
71	We need a place for teens to hang out such as skate parks, a indoor climbing facility	4/22/2023 7:08 PM
72	Indoor aquatics will help everyone of all ages in the community	4/22/2023 3:51 PM

74	Glad to have a nice community center here in Sidney. It has been a wonderful contribution to many.	4/22/2023 3:17 PM
75	Indoor pool!!!!	4/22/2023 2:51 PM
76	Adding a quality leg press / hip sled machine would really be useful to get a good head to toe workout as I cannot do regular barbell squats. Thanks!	4/22/2023 12:23 PM
77	I hope the community center takes this opportunity to really expand on facility options such as a pool (complete with an adult, therapy, and kid section of pool), more gym space, increase space for childcare and provide indoor playground opportunities. More indoor activities for our 8-14 year olds after the long winter we had.	4/22/2023 12:08 PM
78	distance driving!	4/22/2023 11:33 AM

83	We need more quality early childhood daycare centers with QUALITY staff.	4/21/2023 8:20 PM
84	I fear the initial "promise" of a pool is still held as a disappointment by donors	4/21/2023 8:07 PM
85	I'm glad we have a community center! Our town's lowering median household income level may require lowered membership costs to maintain and grow participation.	4/21/2023 7:45 PM
86	I saw that the rates already went up this year. Last year I got a 10 time pass for my middle school age kid for \$25 now that is up to \$45. Too much!	4/21/2023 7:44 PM

89	Building up our community center will bring people to our community. Offering updated facilities, more courts, updated softball fields, an indoor pool, areas for students to study, do homework, do projects or programs after school would be great.	4/21/2023 6:20 PM
90	The center seems to have too many priorities. They aren't large enough to provide services for everyone or every event. I think they are doing fine for what they are and have, but they could streamline things like having cardio classes in the same spot each day. Making the weight room either for serious lifters (free weights) or for physical therapy rehab (cable machines) -	4/21/2023 6:17 PM

just pick one and stick with it. And I believe if the cardio/weight room could be spread out more, more people would enjoy going.

91	The pool should be indoor. It's a waste sitting there unusable so much of the year.	4/21/2023 5:33 PM
92	The membership is too expensive for what is offered at the community center.	4/21/2023 4:58 PM

95	All great ideas, would love to see it come to fruition. I believe the best funding source you're going to find outside of donations and grants is going to be property tax that way the center can be still be user friendly and affordable.	4/21/2023 2:43 PM
96	I think the computers In lobby are not necessary	4/21/2023 2:31 PM
97	The community center is a wonderful addition to Sidney. I look forward to participating in the activities offered more as my family grows and ages. A potential arcade room could be beneficial for teenagers.	4/21/2023 2:28 PM
98	I would like to senior leader ship at the community center. I feel like it is stuck in their ways, and it is time for a change. I would like to understand where all of our money goes that we pay for activities? The sports Director is really lacking and making it very difficult and wanting many people to take their children elsewhere for activities. I think it is time for change at the community center.	4/21/2023 2:19 PM
99	Sidney does not need a new facility but use existing space and expansion.	4/21/2023 2:17 PM
100	An indoor pool would serve the community year round. With bad winters, there is nothing for kids to do but basketball. Often the court is half used by the daycare	4/21/2023 2:13 PM
101	We have a great community and people want to participate and be involved. But you have to have the right people in charge and someone who wants to do it for the kids.	4/21/2023 2:11 PM
102	Kids after school running around being rude and crazy is a BIG reason people in my family do not like going. To many kids unsupervised is a problem.	4/21/2023 2:05 PM
103	UPDATE! Want to attract younger customers and families, you need to have an updated facility that makes it desirable for said customers.	4/21/2023 2:01 PM
104	I have had discussions with parents that the CCCC baseball leagues are now geared toward "traveling teams" and elite players. Please bring back good old fashioned community baseball where everyone gets a chance to play.	4/21/2023 1:56 PM
105	Classes for personal growth and enrichment or just to learn something new and different.	4/21/2023 1:54 PM
106	Definitely consider an indoor pool. I'd be there year round all the time if you had one.	4/21/2023 1:42 PM
107	Don't raise our taxes and charge us to go the facility. That's crazy	4/21/2023 1:36 PM

110	Leave the cabinet unlocked. Everyone's tired of listening to 80s on 8. It's a weight room not a nursing home. Trey has driven a lot of members to the foundry. It's a weight room and weights are going to get slammed occasionally. Trey would never know since he's obviously never lifted in his life. It would be nice to separate all the cardio from the weights	4/21/2023 1:02 PM
